Says Leaders With Strength Badly Needed

Both for Affairs of Church and State, Oshawa Pastor Declares in Sermon

Oshawa, July 27.—Leadership that counts for the best is needed most now, both at the head of affairs of the church and state, declared Rev. Dr. R. L. McEwen, one-time pastor speaking at the evening service on King Street United Church.

There are ominous signs that democracy, apparently, is breaking down, Rev. Dr. McEwen warned. Many great nations had turned either by choice or necessity to dictatorships.

But in times like these there is much to be learned from the past, and he pointed to the leadership character who spoke out in Israel at a time when there was no leadership, and Queen Jezebel was exercising her real for evil things.

"If our affairs are not sacred, if religion becomes not a necessity but an added for spiritual recreation, religion loses out, then people are in the way to overthrow," Rev. Dr. McEwen declared.

The great thing about leadership, he said, is the quality of a nation, its soul and drifting on the rocks there was one man, strong enough to speak out for the true God against the idol prophets of Baal," said Dr. McEwen.

"It was willing to stake his life for his religion and protest against evil. It is all very easy to be religious when it is the fashion, but to stand up against wrongs takes strength of character," he declared conclusively.

Lads Pick Apples But Leave Bikes

Run When Surprised by Belleville Man

Belleville, July 27.—Eugene Kerr, east end resident of this city, was absent from home one day last week. Returning yesterday he was surprised to find four young men had presented him with four fine bicycles in good condition, one for each day he had been away.

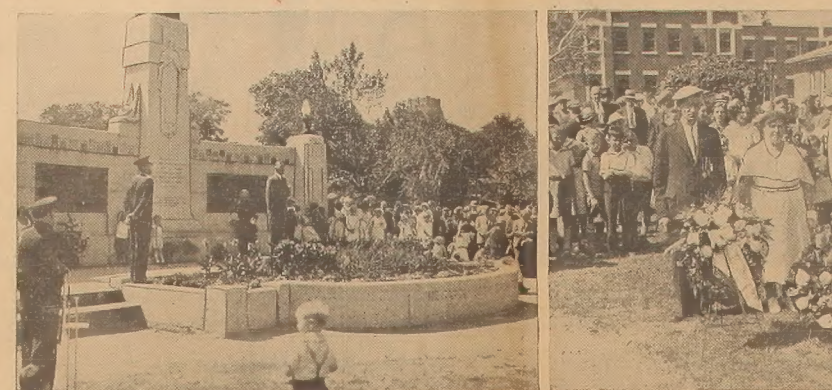

Investigating further, he was still more surprised when four young men popped out from the bushes near his home and ran off down the street. Learning that the boys had been taking apples from his yard, Mr. Kerr called police, who removed the bicycles to the police station.

Last night four youths walked in to claim the bicycles. Each admitted being guilty of picking the apples.

OSHAWA VETERANS MARK VIMY MEMORIAL UNVEILING

Says Victory At Vimy Teaches Many Lessons

Oshawa Speaker Urges Helping Hand Be Given War Veterans Remaining To-day

Oshawa, July 27.—Out of the cent of achievement in winning the victory of Vimy Ridge should come a great lesson for Canadians of to-day, Col. Frank Chappell declared when speaking at the combined memorial service, where three thousand citizens gathered at Memorial Park yesterday.

The service was held in common with many such services across the Dominion to mark the unveiling of the memorial to the Canadian War Veterans.

There was nothing in the appearance of the beautiful monument unveiled at Vimy to express false glory or nationalism, but rather the very line of the memorial stood for simplicity, faith, hope, justice, sorrow, sacrifice and peace, said Col. Chappell.

The memorial stands for the principles built on our nationhood. Victory to Canadians should stand for the future of the world. The Vimy Ridge was taken at a great price and will forever remain in the hearts of Canadians. Sympathy goes to the relatives of those who lost their lives there, and more than heartless sympathy should go to broken soldiers who need help. It is the helping hand they need, Col. Chappell declared.

"Surely out of the sense of achievement at Vimy grows a lesson. If we had failed in our leaders and principles of those days let us cling to them and hold fast to those things that we held precious during the war, have faith in our leaders and help the coming generation to better fit themselves for the trials of to-day," said Col. Chappell.

Members of Oshawa branch of the Canadian Legion, the Ladies Auxiliary of the Legion, Army and Navy War Veterans, members of the Polish War Veterans Society, Oshawa Sea Cadet Corps and Boy Scouts, marched in the parade, which formed up at the Altar, it was led by the Salvation Army Band. Legion Pastor John Graves was chairman of the service held at the Cenotaph, where Rev. Capt. S. G. Farrell, rector of the Anglican church, conducted the service. Last Post and Reveille were sounded by Sgt. Norwood.

Wreaths were placed on the Cenotaph by Rev. J. A. Macdonald, president of the Oshawa branch of the Canadian Legion, and Mr. J. A. Macdonald, president of the Ladies Auxiliary of the Legion, and Mr. J. A. Macdonald, president of the Army and Navy War Veterans, and Mr. J. A. Macdonald, president of the Polish War Veterans.

Squalls Cancel Dinghy Races

Several Daring Skippers, However, Take Boats Out for Trip

Oshawa, July 27.—Squalls out of the northwest that whipped Lake Ontario up to a level where three feet high, caused postponement of the dinghy races of Oshawa Yacht Club Saturday. Weather-wise, sailors counselled against holding the race earlier in the afternoon but several daring skippers who declared they just lived for such a day, took their boats out when the squall struck at 4 o'clock.

Ralph Schofield could not reach the shelter of the Yacht Club dock and, deciding land was better than the sea, drove his dinghy up on shore.

Douglas Connel, as skipper, with Miss V. Nelson as crew, won the A class dinghy race, sailed at 4 o'clock. The B class race, sailed at 4 o'clock, with E. Leighton as crew, finished third. Sharpie led on the start, followed by Nelson and Hart.

With a southeast wind and boats, led by Al. Talbot, with D. Turner as crew, won the B class race. D. McPhail, with A. Smith as crew, sailed home second. Judges for the A class race were D. Ross and B. Minns. Judges for the B class race were D. Ross and B. Minns.
